

WHY THE CENSUS MATTERS FOR YOUR NEIGHBORHOOD.

Our vision is that all Clevelanders are counted and will receive the necessary resources for the next 10 years. Who stands the risk of not being counted? Our hard to count (HTC) communities. See below and learn more, so we can ensure a complete count.

MEET CHEYENNE:

A Native American female, 35 years of age currently living in Tremont (44113). Her HTC factors include race/ethnicity, non-traditional housing, a lack of trust in government, and is in the LGBTQ community.
