Census Twitterstorm: The Power of Digital Democracy

Cleveland VOTES would like to thank each and every one of you for your commitment to the 2020 Census work in Cleveland and Cuyahoga County. We want to acknowledge the endless hours dedicated to planning an array of census efforts, and due to recent circumstances, we are shifting to the digital realm. As a great comrade of ours mentioned, we must inspire **joy** during this time of uncertainty. With that said, Cleveland VOTES would like to invite you, your family, friends, and partners to join us on Twitter to share your 2020 Census experiences and diligence.

Cleveland VOTES is proud to host a "**Census Twitterstorm: 'The *Power* of Digital Democracy.**" We want to highlight digital democracy at this time as a means to celebrate of our hard work and encourage everyone to complete the census. Join us on Twitter and simply share your answer to the following question:

What is one word to describe your 2020 Census experience?

By all means, please feel free to get creative and have fun in your responses. Have fun, laugh and spark joy! Sing, dance, and lip-sync to your favorite song as you describe your 2020 Census efforts. We want to see and share your responses so use the hashtag **#CensusCLE**. We hope to see you on Twitter on April 1st from 12 pm - 1 pm.
